

Let Domino's Pizza help you raise funds for your organization!

Domino's Pizza works hard to make a positive impact on our community. One of the ways we do this is by providing fund-raising opportunities for non-profit organizations. Please call Jennifer Wyne locally at (770) 777-2217 x31 or toll free at (877) 898-3030 x31. We would love to work with you to help your organization reach its fund-raising goals!

Q: What types of organizations qualify?

A: If your organization is a bona fide non-profit organization that is eligible and/or complies with the Internal Revenue Service regulations under Section 501c(3), it can participate in this program.

Q: How many cards do you recommend I order?

A: We suggest about five cards for each member who will actively sell the cards. You can always get more cards later if you need them.

Q: Is there a minimum or maximum number of cards I can order?

A: There is a 25-card minimum order. There is no maximum order, however we'll work with you to determine how many cards would be appropriate to start with for your organization and its goal.

Q: How do I get more cards if I need them?

A: Simply call your Domino's Pizza contact & tell them how many more cards you need.

Offers on the *Delivering the Dough™* Card

Q: How long does it take to get the cards once my organization decides to participate?

A: We typically have cards in stock. This means cards can usually be mailed to you within 24 hours of your written request. Or, you can choose to pick them up if you prefer – often the same day!

Q: Where are the Domino's Pizza Fund-Raising Cards accepted?

A: This is the official fund-raising program of Domino's Pizza, and the most widely accepted

Domino's fund-raising card available. However it is not a nationally mandated program, so not every Domino's Pizza store will accept the cards. Prior to purchasing a card, buyers should check with their local store to make sure the card is accepted there.

Q: Can a card-holder use multiple coupons for the same purchase?

A: Customers can use any coupon on their card at any time they like, but only one coupon may be used per order.

Q: How much does a card buyer actually save by using the card?

A: A customer using the fund-raising card will save anywhere from \$2.49 to \$6.99 every time they use the card.

Q: How is Domino's making any money? It seems a bit too good to be true.

A: We are in the pizza business, not the fund-raising business. We make money on the pizzas we sell; your organization makes money on the fund-raiser. It's that simple!

Q: I've seen other Domino's fund-raising programs offered by other companies. How is this one different?

A: This is the only fund-raising card endorsed by Domino's Pizza, LLC. While there are several legitimate fund-raising cards being offered across the country, it is always a good idea to check with your local Domino's Pizza manager before signing up for any other fund-raising programs.

THE FACTS

- Domino's Pizza Delivering the Dough™ cards are sold by your group for \$10 each. Your organization keeps \$9 for each card sold, not \$4 or \$5 like most other programs.
- Domino's Delivering the Dough Card is redeemable for a variety of offers throughout the year, with purchase of a pizza at menu price.
- Cards typically have an expiration date of at least 6 to 12 months.
- The card is good for pick-up or delivery orders, as long as the minimum order amount required for delivery is met.
- This is a way to do a fund-raising program which supports a business in your community, not a company shipping overpriced products from a warehouse 500 miles away.
- It's an easier sell than expensive wrapping paper or candles. With Delivering the Dough, people save money on a product they're already using – not paying too much for a product they don't need!
