

The Bunga Hub is the ultimate one-stop shop for all partners to get the latest and greatest news from Cowabunga. App users will utilize the app to communicate and engage with others — you'll know what's going on at all times while having fun! The app offers the following features: chat, blogs/news stories, and resources for members to use.

Privacy Policy for Users of mobile apps and web apps based on Bunga Hub

This Privacy Policy describes Cowabunga, Inc. policies and procedures on collecting, using, and disclosing your information. Bunga Hub runs on a platform that hosts a fully customized application for Domino's Team Cowabunga. Users can access the app through digital devices such as smartphones, tablets, mobile apps, and/or web-app. Users can gain access to various company-wide content via the internet.

The privacy policy listed below applies to collecting, processing, and using personal data to register and fully access all web and mobile app functionalities.

1 Service Provider and Responsibility for Data

Cowabunga, Inc. is the website service provider and is responsible for maintaining data protection for all users within the platform.

2 Collecting and Using Your Personal Data

a. Personal Data

While using the mobile app and/or web apps, we may ask you to provide personally identifiable information that may be used to contact or identify you. We collect, process, and use personal data only if it is allowed or given your consent to do so. Information may include, but is not limited to:

- Email address
- First name and last name
- Usage Data

b. Usage Data

Usage Data is automatically collected when using this service. All devices pass data from your device to us while communicating on the internet. Usage data includes the date and time you visited our website, your device's Internet Protocol address (i.e., IP address), browser type, browser settings, the operating system, the pages of our service you visited, the time spent on those specific pages, previous website visited and other diagnostic data. We will retain specific

personal data only for as long as necessary and intended for as stated in this privacy policy; the data may be kept to comply with any legal obligations applicable to laws, resolve disputes, and/or for lawful agreement purposes. Please note: the previously stated data only are used for internal system-related purposes.

Users must provide various personal data when registering for the app. The required information during registration is for you to take advantage of all functionalities of your app. We may collect information such as your email address and ask individuals to create a password during the registration process. In addition, we may ask you to verify other identifiable information such as your name to authenticate you as a legitimate user.

Additionally, we store information related to the usage activity of the app, including collecting whenever a user visits our service by or through a mobile device. User identification, login date and time, browser type and settings, and the operating system; unless permitted to continue storing and using your data, will otherwise be deleted. Previously-mentioned information will be removed soon after your account is deleted and deactivated in our system.

Deemed employees who obtain administrative privileges and work on behalf of Cowabunga, Inc. can view personal data. As a disclaimer, absolute security of data transfer on the internet can not be guaranteed at all times. The user is ultimately responsible for the safety of the data they transfer through the internet; furthermore, we highly encourage users to exude caution to maintain personal data and information security.

3 Data and Transmission to third-parties

a. In some instances, we may transfer personal data to a third party. Please note this will only happen if it is required, permitted by law, or if you have given your consent.

b. Our service may contain links to websites we do not operate. Should you click on a third-party link and be directed to the party's site, we encourage you to review the routed site's privacy policy.

We do not assume responsibility for third-party content, privacy policies, or practices.

4 Data Processing

a. We process your data through a USA data hosting center. Appropriate measures ensure that the selected service provider(s)/ data center(s) comply with most protection laws to provide personal data safety. Information may be processed at the Company's operating offices; furthermore means that the information mentioned above may be transferred to and maintained on computers located outside of your state or other governmental jurisdiction. Your consent to

this policy will represent your agreement to the possibility of that transfer. Please contact an app administrator to learn more about this app's hosting option for additional information.

b. Under certain circumstances, personal data may be disclosed if law enforcement or other public authorities require specific information.

5 Your Right Information and Disclosure of your Data

You have the right to edit, correct, remove, and/or block your personal data. Furthermore, you have the right to request the following information from us: which of your data we store, the purpose for storing specific data and request the recipient category of your data.

6 Changes to this Privacy Policy

We will update our Privacy Policy as necessary. We will administer a notice on our service and update the date at the top of this privacy policy if any changes occur. We advise individuals to review this privacy policy periodically for any updates and changes.
